Dear Santa,

How are you? I guess you are busy getting ready for Christmas. Christmas is my favourite time of year. I love popping bon-bons and putting as many of the party hats as I can on my head.

Last year we had a huge family barbecue at my uncle's beach house. We got to eat prawns, calamari and Christmas cake. We also saw some dolphins swimming in the ocean.

Thank you very much for the books you brought me last year. This year, I would REALLY like a game about animals and a painting set please

I hope you liked the chocolate cookies we left out for you last year. This year we have Anzac biscuits for you and carrots for the reindeers.
